ITALY.

Report from Naples—A case of plague reported at Marseille.

NAPLES, ITALY, *December 9, 1901.*

SIR: I have the honor to report that for the week ended December 7, 1901, the following ships were inspected at Naples:

December 3, the steamship *Patria*, of the Fabre Line, bound with passengers and cargo for New York. There were inspected and passed 262 steerage passengers and 60 pieces of large baggage. Four hundred and twenty-five pieces of baggage were disinfected by steam.

December 4, the steamship *Sicilia*, of the Hamburg-American Line, bound with passengers and cargo for New York. There were inspected and passed 402 steerage passengers and 59 pieces of large baggage. Five hundred and eighty pieces of baggage were disinfected by steam.

December 5, the steamship *Hohenzollern*, of the North German Lloyd Steamship Company, bound with passengers and cargo for New York. There were inspected and passed 454 steerage passengers and 72 pieces of large baggage. Four hundred and seventy-three pieces of baggage were disinfected by steam.

December 7, the steamship *Bolivia*, of the Anchor Line, bound with passengers and cargo for New York. There were inspected and passed 134 steerage passengers and 21 pieces of large baggage. One hundred and sixty pieces of baggage were disinfected by steam.

December 7, the Italian steamship *Angello Ciampa*, bound with cargo for New York.
